ST. PATRICK’ PRIMARY SCHOOL, HOLBROOK

Student Welfare Policy

St. Patrick’s School believes that the school community has a role to play in assisting children to become responsible, contributing members of society, through them being exposed to and taught how to:

- show respect for others, acceptance, co-operation, trust and a sense of responsibility
- develop communication, high expectations and explicit teaching of expected behaviours and self-responsibility for our actions and choices
- acknowledge the rights and responsibilities of all stakeholders
- follow agreed guidelines, clear expectations, consistent approaches and fair behaviour management
- foster worthwhile relationships, valuing other people and respecting their differences
- share concern for all staff pupils, parents and the wider community

Corporal Punishment Statement
The use of any form of corporal punishment is expressly forbidden at St Patrick’s School. This policy applies to all persons who are on St Patrick’s School property or attending St Patrick’s School events.

PASTORAL CARE POLICY
The St Patrick’s Community believes that Pastoral Care is a life-giving focus that is a response to each person’s needs of self-esteem, positive discipline, effective learning, purpose in life, moral and personal development, experienced within the ethos of a gospel-based community.

BELIEF STATEMENT
We believe that PASTORAL CARE
- is living the Gospel message “Love one another” Jn 13.34
- creates and fosters an environment where Christ-like values permeate the school community
- is a responsibility for all — staff, pupils, parents, Parish Priest and the wider community
- is the concern that we, as a school and as individuals, have for the development of the person to reach their full potential — social, emotional, spiritual, intellectual and physical
- is aimed at acknowledging and responding to each individual in the school community
- is congruent with clear, consistent and just discipline practices
- should always be congruent with a basic value of respect for the dignity of the individual

As a Learning Community, we aim to develop self-responsibility and self-discipline within each individual.

INTEGRATION & PRACTICE ACROSS THE CURRICULUM
To enhance our beliefs, school practices may include:

- Masses/Liturgies - these may be class or whole school.
- Buddy System: This involves new kinder classes and Year 5 classes. Each new Kindergarten child has a buddy from Year 5 who watches over the child when they start school and participates in activities with them.
- Assemblies – birthdays, class items, recognition of student achievement via merit awards
- Social functions – whole school activities – new family nights
- Staff acknowledge and celebrate birthdays and other special occasions together
- Provision of extracurricular programs
- Class Parent Representatives – make contact with new families – organise social events, support grieving families or those experiencing hardship
- Celebrations with families
- Visitations and support from Parish Priest
- Merit Awards
- Prayer opportunities / Prayer intentions
- Norm setting and on-going review
- Leadership team – student & school executive
- Regular communication e.g. phone calls, newsletter, informal and formal teacher and parent meetings
- Behaviour management plans
- Relevant school & class programs
- Access to support agencies for school community members eg Centacare
- Bullying units – peer monitoring/mediation – why are people bullying/helping them – being able to discern when to seek help. We adopt and implement CSO Anti-Bullying Policy.
- Health Program
- Playground options
- Teaching of Expected Behaviours e.g. entry into classroom
- Classroom/Playground norming – Student Rights and Responsibilities
- School counsellor
- Clear understanding of choices/consequences - children knowing language
- Consistent/Cyclical/Revisited
- Personal Safety – PD/H/PE
- Truthfulness creates opportunities for forgiving and growing
- Social Skills Group

PD/H/P.E. – Scope and Sequence to be established across the grades to encompass many of these suggested programs

AWARDS
Merit Awards given at assemblies to recognise positive behaviour and application by students

St Patrick’s Awards – given to recognise outstanding achievement, contribution or effort by one student member of the school community.

Support Services: School Counsellor, Special Needs Consultant

Access/Referral: Support services from the CSO and other organisations can be accessed through collaboration with the classroom teacher, special needs coordinator, principal and parents. It is the responsibility of individual class teachers and the special needs coordinator to program and implement individual plans for students in consultation with parents and CSO support staff. e.g. behaviour plans, language classes

BEHAVIOUR MANAGEMENT
It is the responsibility of each teacher to establish Classroom Norms and Consequences in co-operation with the students. Classroom consequences are agreed, logical, clear and appropriate. As a guide, class rules may encompass the following:

- Communication eg. ‘talking rule’; hands up; working noise
- Learning eg. on task expectation; how to ask for help
- Movement eg. in and around the room; lining up; chairs
- Treatment eg. the way we treat one another; property; furniture
- Problem Solving eg. the way we ‘fix up’ problems with others
- Safety eg. use of equipment; safe behaviour.

The Principal is involved in dealing with inappropriate behaviour which is repeated, illegal, dangerous or totally unacceptable. The school does not hesitate to contact parents when behaviour and discipline issues arise at this level. Parent support makes a difference. Parents will be called immediately to ‘Take Home’ their child if a student reaches the suspension or exclusion level of the discipline policies.

Children will be taught and staff will implement the following:
For minor incidents:  
The children will say: <name>, I don’t like <name behaviour> and ask them to stop.  
If it continues, move away  
If it still continues, report to teacher and indicate that steps above have been completed. At this point the teacher must take action.

If the incident involves physical contact then children should report directly to the teacher on duty.

RESTORATIVE JUSTICE  
St Patrick’s has begun to implement a Restorative Justice approach to Discipline. This has been done to link to the Bishop’s Mandate: ‘In order to fulfil this mandate to evangelise, schools in the Wagga Wagga Diocese provide an education in which young people encounter and engage with Jesus and his message.’

The Restorative Practice focuses on:

Compassion  
Inclusion  
Forgiveness

The Philosophy of Restorative Justice is that decisions are best made and conflicts best resolved by those most directly involved in them. The restorative practices movement seeks to develop good relationships and restore a sense of community in an increasingly disconnected world.

The Principles behind Restorative Practices are:

1. To foster awareness in the student of how others have been affected  
2. Avoid scolding or lecturing  
3. Involve the student actively  
4. Accept ambiguity  
5. Separate the deed from the doer  
6. See every serious instance of wrongdoing and conflict as an opportunity for learning  
7. Restorative practices must be systemic, not situational.
Restorative Justice Process - Affective Questions

1. What happened?
2. How did it happen?
3. How did you act in this incident?
4. Who do you think was affected?
5. How were they affected?
6. How were you affected?
7. What needs to happen to make things right?
8. If the same situation happens again, how could you behave differently?

All incidents at St Patrick’s will be handled using Procedural Fairness. Procedural Fairness is a basic right of all when dealing with authorities. Procedural Fairness refers to what are sometimes described as the ‘hearing rule’ and the ‘right to an unbiased decision’.

The ‘hearing rule’ includes the right of the person against whom an allegation has been

- made to:
  - know the allegations related to a specific matter and any other information which will be taken into account in considering the matter
  - know the process by which the matter will be considered
• respond to the allegations
• know how to seek a review of the decision made in response to the allegations.

The ‘right to an unbiased decision’ includes the right to:

• impartiality in an investigation and decision-making
• an absence of bias by a decision-maker.

Procedural fairness includes making available to students and parents or caregivers the policies and procedures under which disciplinary action is taken. It also includes providing details of an allegation relating to a specific matter or incident. This will usually involve providing an outline of the allegations made in witness statements and consideration of witness protection. As part of ensuring the right to be heard St. Patrick’s School will provide interpreter services if required.

**BEHAVIOURAL PROCEDURE**

To maintain consistency throughout our school we would ask teachers to follow the procedures set out below in dealing with inappropriate behaviour in the classroom or playground.

1<sup>st</sup> Occurrence: **WARNING THAT BEHAVIOUR IS INAPPROPRIATE**. (If possible this may be carried out quietly to the child)

2<sup>nd</sup> Occurrence: **TIME OUT** (In a suitable position within the classroom or playground)

3<sup>rd</sup> Occurrence: **EXCLUSION FROM THE ROOM/ PLAYGROUND** (To the Principal’s Office or Buddy class. Child must be accompanied by another child when sent)
EXCLUSION CONSEQUENCES

If there are repeated occurrences of inappropriate behaviour or a serious behaviour breach in a classroom or on the playground, the child will be directed with another student straight to the Principal. If necessary, the teacher should send for the assistance of the Principal. Parental notification will be made at the discretion of the Principal.

St Patrick’s Primary School has adopted the Diocese of Wagga Wagga ‘Suspension, Exclusion and Expulsion Policy and Procedures’ (2007)

UNDER NO CIRCUMSTANCES WILL CORPORAL PUNISHMENT OF ANY KIND BE ADMINISTERED TOWARDS ANY CHILD AT ST PATRICK’S SCHOOL.

BULLYING AND TEASING

There are countless definitions of bullying but all definitions include these parameters:

Bullying:
- Is repetitive - prolonged over time
- Involves an imbalance of power
- May be verbal, physical, social or psychological
- May be an attitude rather than an "action".

Examples of Bullying
- Name-calling
- Hitting, punching or kicking
- Threatening
- Sending hurtful notes
- Deliberately ignoring or excluding
- Teasing
- Rumour / Scandal mongering
- Interfering with the property of others
- Sexual innuendo and harassment

Strategies that will be used at St Patrick’s to deter bullies
- Active supervision by staff.
- Professional Development programmes for teachers.
- Awareness raising exercises in the curriculum about the impact of bullying and conflict resolution through PDHPE Syllabus.
- Small group and individual counselling of victims of bullying.
- Counselling of children who bully others and encouragement for them to change their behaviour.
- Social Skills groups
- Peer Support Modules
- Visual aids outlining appropriate behaviours.
- Workshops/performances which raise awareness of the impact of bullying and conflict resolution.

**Objectives of our Policy**
All strategies are based on the Catholic notion of Reconciliation and Growth.
- To raise awareness among staff, students and parents about bullying.
- To reduce the amount of bullying that occurs at St Patrick’s Primary.
- To assist students to resolve conflicts and differences without bullying.
- To create a school environment where all students and staff feel safe and welcome.
- To create a climate where it is okay to talk about bullying to people who can help, ie: parents, teachers, and older students.

**Information for Parents**
If your child reports being teased, intimidated or threatened (verbally or physically), treat the concern seriously. Children’s perspectives are very different from adults. What adults perceive as minor incidents may be very distressing for children.

Encourage your child to talk about how she / he is feeling about the situation. Remind your child that nothing is so awful that we can’t talk with someone about it.

Please contact your child’s Teacher if you detect any signs of unhappiness in your child or if you are concerned about aggressive, intimidating or anti-social behaviour that your child is exhibiting.

Please be assured that the matter will be dealt with in a sensitive and caring manner. The school is anxious to support families.

For information on bullying, a range of brochures and pamphlets are available through Centacare.

St Patrick’s Primary adopts and implements the CSO’s [Anti Bullying Policy](#).
